ID	Measure	Data Type	Data Source	Frequency	Comparability	Population & Any Other Comments	Validated Measure?	Collected & Available?	Data Integrity?	Publicly Reported?	Acceptable by Industry Standards?	Tier
ACCESS TO CARE												
Access Outcomes												
1A	Hospitalization for ambulatory-care-sensitive conditions	Administrative	HCUP	A	N	Hospital inpatient discharge abstracts in 38 participating States, but Kansas is not a file specification that can be selected.	Yes	Hosp D/c Data-base		Yes		1
3A	Total hospitalizations per 1000 population (by source of payer)	Survey	NHDS; KHA database	A				Yes		Yes	Yes	1
30A	Number of patients seeking inpatient care within their county	Administrative	Hospital Discharge Data (KHA database)	A	C	Added in response to Data Consortium recommendation to consider geographic proximity measures		Yes		Yes	Yes	1
Health Insurance Status												
4A	Persons with health insurance: Overall Total and grouped by type - - Private Employment-based Own-employment-based Direct purchase - Government Medicaid Medicare Military	Survey	CPS	A	S	The data are based on an analysis of the Census Bureau's March 2006 and 2007 Current Population Surveys (CPS; Annual Social and Economic Supplements) and are restricted to the civilian (not active duty military) population. The state data represent 2-year averages. Survey findings typically differ from State enrollment totals based on administrative data. State enrollment totals may be listed alongside survey results.	Yes	Yes		Yes	Yes	1
11A	Health Insurance Coverage - Uninsured	Survey	CPS	A	S	The data are based on an analysis of the Census Bureau's March 2006 and 2007 Current Population Surveys (CPS; Annual Social and Economic Supplements) and are restricted to the civilian (not active duty military) population. The state data represent 2-year averages.	Yes	Yes	Yes	Yes	Yes	1
Medicaid Eligibility												
12A	Poverty rate	Census & Surveys	Census Bureau state profiles, www.census.gov	A		Metropolitan Areas (people, households, personal income, labor force, housing)		Yes		Yes		1
13A	Percent of eligible and uninsured children who are enrolled	Survey	CPS estimates	A	S	The data are based on an analysis of the Census Bureau's March 2006 and 2007 Current Population Surveys (CPS; Annual Social and Economic Supplements) and are restricted to the civilian (not active duty military) population. The state data represent 2-year averages.	Yes	Yes	Yes	Yes	Yes	1

Measures Recommended by the Data Consortium

ID	Measure	Data Type	Data Source	Frequency	Comparability	Population & Any Other Comments	Validated Measure?	Collected & Available?	Data Integrity?	Publicly Reported?	Acceptable by Industry Standards?	Tier
Safety Net Stability												
24A	Delay or difficulty in getting emergency care	Survey	NHIS	Q		There is a wide variation in reporting between cities, counties, etc.		Yes		Yes		1
Medical Home												
28A	People who have a specific source of ongoing care	Survey	NHIS	A	N S	Civilian non-institutionalized population; CDC; continuous collection since 1957. Demographic and socio-economic characteristics available; cross-sectional household survey.	Yes	Yes		Yes		1
Health Disparities												
26A	Will be handled by subgrouping selected measures (by age, ethnicity, income, etc.) rather than as a separate category.											
HEALTH AND WELLNESS												
Tobacco Use and Prevention												
27H	Percentages of adults & adolescents who currently smoke cigarettes	Surveys	BRFSS (adults), YRBS / YTS (adolescents)	BRFSS : Annual, YRBS & YTS: Every other year		Kansas BRFSS (Behavioral Risk Factor Surveillance System) is a population based annual survey conducted among adults 18 years and older. YRBS (Youth Risk Behavior Survey) is conducted in grades 9-12 (high school) students and YTS (Youth Tobacco survey) is conducted in grades 6-12 students. Both surveys are conducted every other year and require adequate response rate for producing weighted data for generating state's estimates.	Yes	Yes	Good	Yes	Yes	1
Overweight and Obesity												
28H	Percentages of adults & youth who are overweight	Surveys	BRFSS (adults), YRBS / YTS (adolescents)	BRFSS : Annual, YRBS & YTS: Every other year	N	Kansas BRFSS (Behavioral Risk Factor Surveillance System) is a population based annual survey conducted among adults 18 years and older. YRBS (Youth Risk Behavior Survey) is conducted in grades 9-12 (high school) students and YTS (Youth Tobacco survey) is conducted in grades 6-12 students. Both surveys are conducted every other year and require adequate response rate for producing weighted data for generating state's estimates.	Yes	Yes	Good	Yes	Yes	1

Risk of Morbidity & Mortality Due to Heart Disease												
34H	Percentage of adults who were tested and diagnosed with high blood cholesterol level	Survey	BRFSS	A	N	Kansas BRFSS (Behavioral Risk Factor Surveillance System) is a population based annual survey conducted among adults 18 years and older.	Yes	Yes	Good	Yes	Yes	1
35H	Percentage of adults who have hypertension	Survey	BRFSS	A	N	Kansas BRFSS (Behavioral Risk Factor Surveillance System) is a population based annual survey conducted among adults 18 years and older.	Yes	Yes	Good	Yes	Yes	1
36H	Prevalence of diabetes in adults 18 yrs. & older	Survey	BRFSS	A	N	Kansas BRFSS (Behavioral Risk Factor Surveillance System) is a population based annual survey conducted among adults 18 years and older.	Yes	Yes	Good	Yes	Yes	1
37H	Age Adjusted Mortality Rate for CHD	Civil Registration	Vital Statistics	A	N	All deaths in the Kansas from mortality data base	Yes	Yes	Good	Yes	Yes	1
38H	Age Adjusted Mortality Rate for Cerebrovascular Disease (Stroke)	Civil Registration	Vital Statistics	A	N	All deaths in the Kansas from mortality data base	Yes	Yes	Good	Yes	Yes	1
39H	Age Adjusted Mortality Rate for Congestive Heart Failure	Civil Registration	Vital Statistics	A	N	All deaths in the Kansas from mortality data base	Yes	Yes	Good	Yes	Yes	1
Immunization												
40H	Percentage of adults aged 18 years and older ever vaccinated annually against influenza	Survey	BRFSS	A	N	Kansas BRFSS (Behavioral Risk Factor Surveillance System) is a population based annual survey conducted among adults 18 years and older.	Yes	Yes	Good	Yes	Yes	1
41H	Percentage of young children who are fully immunized (4:3:1:3:3 series)	Survey	National Immunization Survey	A	N		Yes	Yes	Good	Yes	Yes	1
Sexual Behaviors/STD/Teen Pregnancy												
42H	Rate of birth among teenagers age 15 through 17 years	Civil Registration / U.S. Census	Vital Statistics & U.S. Census	A	N	Number of births among women 15 through 17 years obtained from Birth database of Vital Statistics and U.S Census database for denominator (number of women age 15 through 17 years resident in the jurisdiction during the year.	Yes	Yes	Good	Yes	Yes	1

Legend: A=Annual, Q=Quarterly, M=Monthly, D=Daily

Health Screening for Chronic Infectious Disease												
43H	Percentage of adults 50 years and older who reported they had a colonoscopy	Survey	BRFSS	A	N	Kansas BRFSS (Behavioral Risk Factor Surveillance System) is a population based annual survey conducted among adults 18 years and older.	Yes	Yes	Good	Yes	Yes	1
44H	Percentage of women 18 years & older who reported they had a Papanicolaou smear test (PAP Test)	Survey	BRFSS	A	N	Kansas BRFSS (Behavioral Risk Factor Surveillance System) is a population based annual survey conducted among adults 18 years and older.	Yes	Yes	Good	Yes	Yes	1
45H	Percentage of women 40 years & older who reported they had a mammogram	Survey	BRFSS	A	N	Kansas BRFSS (Behavioral Risk Factor Surveillance System) is a population based annual survey conducted among adults 18 years and older.	Yes	Yes	Good	Yes	Yes	1
Maternal and Child Health												
46H	Proportion of babies in the WIC program who are breast-fed at the age of three months	Administrative	WIC Information System	A	N	Data available from KDHE on all babies of women of child bearing age who are eligible for WIC services (income level : 185% or below Federal Poverty Level). WIC Program is also known as Special Supplemental Nutrition Program for Women, Infants and Children.	Yes	Yes	Good	Yes	Yes	1
47H	Proportion of Medicaid eligible children who received any dental services during a year	Administrative	Medicaid Information System	A	N	Data available from Medicaid database		Yes		Yes		1
48H	Infant Mortality Rate	Civil Registration	Vital Statistics	A	N	Data available from Death database	Yes	Yes	Good	Yes	Yes	1
49H	Proportion of pregnant women who receive prenatal care in the first trimester of pregnancy	Civil Registration	Vital Statistics	A	N	Data available from Birth database	Yes	Yes	Good	Yes	Yes	1
Injury and Violence												
105H	Age Adjusted and Age-Specific Mortality Rates for Motor Vehicle Traffic Accidents	Civil Registration	Vital Statistics	A	N	Added on recommendation of Data Consortium Board	Yes	Yes	Good	Yes	Yes	1
106H	Age Adjusted and Age-Specific Mortality Rates for Traumatic Brain Injury and spinal cord injury due to Motor Vehicle Traffic Accidents	Civil Registration	Vital Statistics	A	N	Added on recommendation of Data Consortium Board	Yes	Yes	Good	Yes	Yes	1
51H	Suicide Death Rate	Civil Registration	Vital Statistics	A	N	Data available from Death database	Yes	Yes	Good	Yes	Yes	1
